

We Want You To Join Our Online Patient Forum!

We have set up a new online patient forum, and we want as many people as possible from all walks of life to join in and help us shape our services for everyone who uses the Village Green Surgery.

How do I join? - Send an email to our new patient forum address, with your name and date of birth, asking to join up.

The address is:

ntp-pct.VillageGreenPatientForum@nhs.net

How much of my time will the forum take up? - Very little!

We will email you no more than once a month with a link to a short online survey, which should take you no longer than a minute to complete.

Once a year we may ask you for your views on our annual patient survey, which may take a little longer. Participation is always optional, and we thank you for your input into our efforts to improve services to patients.
